

Save money on your travel plans while supporting the Women's Health Foundation

Who doesn't like to save money on their travel? Women's Health Foundation has teamed up with **YTB travel** to offer you the most competitive prices in the market. Our full service travel website (similar to Expedia®) provides comprehensive travel services – airline tickets, hotel reservations, car rentals, golf packages, even flower delivery! Our members, friends, partners, and supporters can book their personal or business travel 24 hours a day. And, YTB travel will reimburse a portion of their travel agent commissions back to the Women's Health Foundation to help support our mission. Our travel portal can be accessed at www.traveltotalcontrol.com or through the link from both of our main website homepages – www.womenshealthfoundation.org or www.totalcontrolprogram.com.

We know that most savvy consumers are already booking their travel on-line, so we are pleased to extend our travel service to all of you. We ask that you add [www.traveltotalcontrol](http://www.traveltotalcontrol.com) to your “favorites” list and visit us when comparing on-line pricing for your next personal or business trip. Rest assured that you will benefit from the best pricing in the travel industry, while supporting the future of pelvic health. And, don't forget to spread the word by sharing this opportunity with your friends, family, and business associates.
